Dear Parents and Students:

Just a reminder that our Box Tops for Education and Campbell's Labels for Education campaign is in full swing. Macon Road is considered a top performing school thanks to your faithful participation!

Hundreds of General Mills products contain the Box Tops for Education logo. We also participate in the Campbell's Labels for Education drive. Please clip, trim, save and send these to school in a plastic zip bag. The box tops earn \$.10 each, and they add up quickly. In May 2011, we sent in 19,000 box tops earning \$1,900.00!! The labels are collected and redeemed for items used in the classrooms.

Please remind family members and friends who might not have school aged children to save these for you so that we might exceed the funds raised in previous years!

If you would like to view a complete list of participating products, please visit their website at www.boxtops4education.com.

Thank you all for participating in this successful effort.
